Some Notes on Today's Staff Meeting

1. CIA, compared with NSA and other government agencies, has twice as many personnel support people per employees. Mr. [REDACTED] would like to conduct a comprehensive survey of the Office of Personnel similar to that now being made of Logistics.

25X1C4a

25X1A9a 3. Al [REDACTED] reported on:

a. A new TV pick-up principle using tubes rather than cameras, ideally suited for closed circuit transmission. May be considered for transmissions between [REDACTED] Library and [REDACTED]

25X1A6a

25X1A6a

b. A new facsimile machine capable of reproducing at 24 square inches per second.

4. DD/S briefing on Records Management scheduled 1 July (Tuesday).

25X1A9a

25X1A9a 5. [REDACTED] is to be transferred to PPC Staff. His replacement will be [REDACTED] recently returned from Army War College.

25X1A9a [REDACTED] is rounding out a staff study which will affect RI functions and hence records management and forms management in DD/P. It also calls for a 15% reduction in RI T/O, with these positions to be distributed to Area Divisions.

(Item 5 above is not for general discussion now).

25X1A9a 6. [REDACTED] PCS to [REDACTED] for War planning assignment. 25X1A6a
